

# SAC RIVER MOUNTAIN BIKE TRAIL—MAP AS OF AUGUST 2010

This trail is very popular for mountain biking, but hiking is also a great use for it. Horses and ATV's are not allowed.

This area is managed by the Springfield-Greene County Parks Department as part of our city park system, 864-1049.

Trail improvements and redesign managed by local IMBA rep. To volunteer, call Jason 887-3560.

Scale: There are about 8 miles of single-track trail within the boundary of this area.

It's recommended that you bring this map with you, unless you are good with directions. This map is also posted at the trailhead.

No restrooms or water available on site.

If you value our community's growing trail network, please donate at [ozarkgreenways.org](http://ozarkgreenways.org)
