Ride It Out - #quaranTEAMSGF May 9-17th, 2020 Anytime / Anywhere SGF

All of the group rides have been postponed. It's a real bummer-but it's what we all need to do to support flattening the COVID-19 curve.

It's times like these when we need to remember the top three reasons why group rides are so great: 1. the joy of bicycle riding, 2. supporting a local nonprofit, & 3. seeing all your friends. Let's focus on what we CAN do. Bicycle riding is not cancelled. Giving is not cancelled.

Miss seeing all of your friends? Call them.
